

## REMARKS

Applicants have submitted a new claims section as required the Notice of Non-Compliant Amendment, and have done so within the one month period provided. The attached claims section corrects the editing marks in claim 1 noted by the Examiner (adds omitted underlining in first "establishing" clause), substitutes double brackets in place of a strikethrough in claim 4, adds in an omitted portion of strikethrough text in the final clause of claim 13, and corrects the dependency error (now 15 rather than 2) noted by the Examiner in new claim 16. Applicants apologize for the inadvertent errors and respectfully request substitution of the new claims for the previously submitted claims section in the November 21, 2007 Amendment.

Respectfully submitted,

---
